Ref.No.F.II. 4796/45
Madras, Dated 5/1/1946.

W. Dixon Esquire, CSI, CIE., ICS.,
Commissioner of Civil Supplies.

****

J. F. Saunders Esq., MBE., ICS.,
Secretary tothe Commissioner of Civil Supplies.

R e a d: From the Collector of Bellary No.2398/45 N-4 dated 18/10/1

Submitted to Government.

The Board considers that a conveyance allowance of Rs.20/- to the Special Tahsildar and Rs.4/- to the Special Revenue Inspector will be sufficient. It therefore requests that the Government may be pleased to sanction with effect from 1-10-1945, a conveyance allowance of Rs.20/- p.m. to the Special Tahsildar and Rs.4/- p.m. to the Special Revenue Inspector, appointed for work connected with the procurement and distribution of firewood in Bellary town without the obligation of maintaining any specific conveyance.

The Special Tahsildar and the Revenue Inspector may also be permitted to draw Travelling allowance under the M.T.A. Rules for the journeys performed outside their headquarters, subject to the proportionate reduction of conveyance allowance for the number of days so spent.

For Secretary.

To
The Additional Secretary to Government,
Development Department,
Fort St.George, Madras. (with enclosure)

Ksn.6/1.

Enclosure:

Copy of Letter No.2398/45-N.4. dated 18-10-1945 from the Collector, Bellery to the Secretary to the Commissioner of Civil Supplies.

Allowances - Conveyance allowance-sanction to the special Fuel Tahsildar and Revenue Inspector-requested

In G.O.No.Ms. 3310 dated 27th August 1945 the Government have sanctioned a special staff consisting of one Tahsildar, one depot clerk(Upper Division clerk) One Revenue Inspector (Lower Division clerk) and four peons for work connected with the procurem and distribution of firewood in Bellary town. After much prelim nary work, distribution of firewood was actually commenced on 15th October 1945. Distribution to consumers is made by retail depot keepers on the basis of ration cards specially prepared for the purpose. I have opened fifteen depots for twenty two wards and the depots are scattered all over the town. The jurisdictio of each depot keeper is defined and he distributes fuel to the residents of one or more wards as the case may be.

2. The Special Tahsildar and the Revenue Inspector h to visit frequently the retail depots to check whether the dep keepers are selling firewood at the rate fixed and whether the

are maintaining the prescribed accounts properly. Besides this, they have to go to the Railway Station often to arrange for supply of wagons and to take delivery of consignments when received. All this involves a good deal of moving about in the town every day. Quite apart from the work in the town the Special Tahsildar and the Revenue Inspector have to occasionally go outside the town to inspect the working of the coupes and arrange for supplies to the town.

3. In the G.O. cited above there is no sanction for payment of any conveyance allowance to the Special Tahsildar and the Revenue Inspector for the tours performed by them in the town I recommend that under Rule 20(1) of the Manual of Special Pay and Allowances the Board may be pleased to obtain the sanction of the Government for the grant of a jutka allowance of Rs.30/- p.m. to the Special Tahsildar and a cycle allowance of Rs.6/- p.m. to the Revenue Inspector with effect from 1-10-45 and permission to draw, under Rule 20(2) Travelling allowance under the M.T.A. rules for the journeys performed by them outside their headquarters subject to proportionate reduction of conveyance allowance for the number of days so spent. The above rates of conveyance allowance include the usual enhancement and the cost involved in its payment will be placed on the retail selling price of fuel.

Rajah D. Paul
19/10/45.
Collector.

conveyance allowances of Rs.20/- per mensem, to the Special Tahsildar, and of Rs.4/- per mensem, to the Special Revenue Inspector, appointed to work in connection with the procurement and distribution of firewood in Bellary Town, and to permit the Special Tahsildar and the Revenue Inspector to draw T.A. under the rules subject to the proportionate reduction of conveyance allowance for the number of days spent out of Town. The Devt.Department support the proposals.

The reasons urged in support of the above proposals are as follows:-

(1) The Special Tahsildar and Revenue Inspector have to visit frequently the 15 retail depots scattered all over the Town,

(2) They have to go to the Railway Station often to arrange for the supply of wagons to take delivery of firewood consignments, and

(3) They have occasionally to go out of the Town to inspect the working of the firewood coupes and to arrange supplies to the Town.

---

2. According to rule 20 of the Madras Manual of Special Pay & Allowance Rules a conveyance allowance is to be granted to a Govt. servant who has to tour regularly within a specified area for the maintenance of a specified conveyance. The criterion usually adopted for the purpose of the grant of a conveyance allowance is that the Govt. servant concerned has to go about 10 miles or about 5 or 6 miles a day in connection with the official duties according as a motor cycle or cycle allowance is to be given. In the present case information has not been given as to the extent of travelling the Special Tahsildar and the Special Revenue Inspector sanctioned for the distribution of firewood may have to do on an average in a day. As the area of the Bellary Town is only about 6 miles and the number of retail depots to be inspected only about 15, it will not be necessary for the Special Tahsildar to travel over a long distance

requested to ascertain from the Board of Revenue the average number of miles that the 2 officers are expected to cover in a day in the execution of their duties.

There is however no objection to permitting the 2 officers to draw T.A. under the rules for the journeys out of town.

3. Under rule 21 in Part I of the Manual of Special Pay & Allowances, Vol. I a condition precedent to the drawing of a conveyance allowance is that the Govt. servant concerned should certify that he maintains in good order and uses the conveyance for which he draws the allowance. The Govt. have as a special case relaxed this rule in the case of the Special Branch Police, C.I.D. and the Tansildars employed in connection with the rationing work in the City and reception Tahsildars in charge of distribution of food grains. On the analogy of the cases this department need not perhaps insist on the officer maintaining a specific conveyance.

G.O. (Ms) 2718 SR-I. / 24.1.46

23/1/46. Dev. may kindly state whether conveyance allowance has been ~~allowed~~ sanctioned before for similar staff in towns like Coimbatore, Bezwada etc, where I think staff was sanctioned for firewood or rice distribution work.
